# AUTHENTICATE AN ARTWORK PRESERVEARTS® IT TRANSLATES INTO THE RIGHT TO OWN AN UNDISPUTED ORIGINAL

A SAFE, PROTECTED, GUARANTEED AND VERIFIABLE INVESTMENT OVER TIME  
FOR HIS COLLECTORS AND HIS HEIRS,  
WHO BELIEVED AND INVESTED IN HIS ARTWORKS

# COMPLIMENTS

You purchased an authenticated artwork **Preservearts®**, a sophisticated system of protection, protection and guarantee of your investment. The artist is registered at **Preservearts®**, the first institute in the world for the protection of originality. The artwork incorporates the **ARTCHIP®** and its own authentication the **CERTCHIP®**. Thanks to the **Preservearts®APP** (available for Apple and Android), it starts an encrypted verification process, capable of guaranteeing the authenticity of the artwork filed and registered.

**Only the artist who produced the artwork can request  
the secure kit from Preservearts®.**

## **! IMPORTANT !**

The Certificate must always be kept separately from the artwork and nowhere case must be applied to the back.

The correct management and conservation of the authentication allows you not to lose both security systems in the event of theft, loss or damage and to always have the opportunity to demonstrate originality and belonging of his own artwork.

Specifically, in the event of theft, contact Preservearts immediately it is possible to block the originality of the deposited artwork.

**Removing the identification chip involves  
the loss of the originality of the investment made.**

## USEFUL INFORMATION

The originality of the artwork is deposited at Preservearts® and always verifiable through the Preservearts® APP.

The SECURE KIT® must be kept in a safe place as it determines the ownership of the work.

If you wish to proceed with the sale or transfer of the work, being in possession of an authenticated Preservearts® artwork, the negotiation of sale or transfer is a simple, safe and fast process.

It can demonstrate to the buyer the guaranteed authenticity of the deposited artwork.

Deliver the work of art with the ARTCHIP® applied and its accessories to the new buyer your SECURE KIT®.

In the event of total or partial theft/loss,  
the theft/loss must be reported to the competent authorities,

contact our assistance,  
that once a copy of the complaint has been received,  
following checks, it will block the artwork, freezing its originality.

The Artchip® and the Certchip® have a passive antenna for geolocation,  
if it passes through an airport, a seaport, a customs, a logistics or a shipping  
company, the antenna is activated and signals its presence.

On the first check attempt,  
the artwork is geolocalized and reported as stolen.

PreserveArts® will communicate the geolocation to you so that you  
can notify the competent authorities for the recovery of the work.

Until it is found, the work is frozen and reported as stolen.
